Curriculum Vitae

Duncan W. Glaholt, C.Arb, is the founder and a partner of the leading and nationally recognized construction law firm of Glaholt LLP, consistently peer rated as one of Canada's most highly recommended mid-sized construction law practices. He is the recipient of the 2014 OBA Award of Excellence in Construction Law, the 2018 TCA Donald Griffin Jr. Award and has been named one of Canada's leading lawyers in the Construction Law category in the Lexpert/American Lawyer Media publication: "Leading 500 Lawyers in Canada" in each year in which that category appeared in publication. Mr. Glaholt maintains Martindale-Hubbell's highest possible AV rating and is certified by the Law Society of Ontario as a Specialist in Construction Law.

Mr. Glaholt is a chartered arbitrator and mediator. He is a Founding Fellow and Past President of the Canadian College of Construction Lawyers, a Fellow of the American College of Construction Lawyers, and a Founding Fellow of the International Academy of Construction Lawyers and the North American branch of the Society of Construction Lawyers.

Mr. Glaholt is author and co-author of standard reference books on lien legislation, construction law, and alternative dispute resolution as well as an Adjunct Professor at the Faculty of Law at the University of Toronto.

Arbitration & Mediation:

Mr. Glaholt has arbitrated major claims on a number of industrial and infrastructure projects under both institutional (ICC, JAMS, UNCITRAL) and *ad hoc* rules. Mr. Glaholt has been a member of arbitration panels in energy industry, wind power, cogeneration, nuclear power, nuclear new build and retrofit, solar power and related BOP and distribution systems as well as conventional infrastructure, environmental and housing development projects.

Mr. Glaholt is one of Canada's foremost mediators of complex construction disputes, with a specialty in complex multi-party infrastructure disputes.

Claims Officer and Referee

Mr. Glaholt has had court appointments as a Claims Officer in major infrastructure insolvencies and as a Referee of complex construction disputes.

Adjudication

Mr. Glaholt has undertaken a leadership role in the introduction of principles of private and statutory adjudication to Canadian lawyers and trade associations and has advocated for efficiency in the arbitration process. He sat on the Subject Matter Expert Advisory Group to the Expert Review of Ontario's Construction Lien Act on the implementation of an adjudication regime in Ontario. He is also a member of the Toronto Commercial Arbitration Society's Arbitration Act Reform Committee.

Dispute Review and Advisory Boards

Mr. Glaholt has written in this area and sits as an active chair of DRB tribunals.
